

PRESS RELEASE

A & S Enterprises move to new £750,000 Headquarters

Construction Company, A & S Enterprises Limited is relocating to purpose built offices and workshops at Lancaster Business Park, Needwood, Burton upon Trent, representing a £750,000 investment.

The new building which is being constructed by the company is well underway and scheduled to be open early May. The steel framed construction is clad in feature brickwork and stone with full height glazed atrium under a tiled roof. Attached to the offices is an operational workshop/storage unit. The building will cater for the firm's expanding staff including newly acquired electrical and mechanical service companies.

Andy Sulin, Director said "this new facility will enable us to advance our building and construction services. Under one roof we will now be able to coordinate all of our operations from design through to completion, delivering real customer value". The company provides a wide range of services from property repairs and maintenance through to major turnkey building projects including design.

Current and recent projects include the Pavilion at Branston Golf Club, New offices and Industrial units at Stretton Business Park, New Co-op at Osmaston Park Rd, Derby, Conversion of offices to 15 Flats, Ripley, New Offices at Outrams Wharf, Little Eaton, New Industrial Units at Lancaster Park and 24 apartments & 2 Houses at Outwoods St, Burton.
